International University Congress of Communication, Innovation, Research and Teaching (XIII Edition)

Event information

Place:
Online

Start date:

05 de October de 2023

The International University Congress on Communication in the profession and in the University today: Content, Research, Innovation and Teaching (CUICIID), will be held on October 4, 5 and 6, 2023. In its virtual and online mode, It brings together researchers and professionals from around the world for the thirteenth time.

This Congress can be classified as one of those with the greatest academic impact, under the concept 'Quality of teacher training', for combining innovation and teaching and, thanks to double blind peer review of the works presented, its results are comparable those with the most curricular value. Accepts texts in: Spanish, English, Italian, French and Portuguese.
